The enclosed Performance letters confirm the satisfactory and good performance and supply of our products to the respective customers.

We further submit that we have already requested a performance letter from the Zonal Railway in respect of our product and services. However the same has not yet been received. We are continuously following up with the concerned railway authorities and shall submit the performance letter to RDSO immediately upon. Over the last 10 years, we have supplied bridges to multiple customers without any adverse feedback regarding the quality or performance of our products and services.

We request you to kindly take the enclosed performance letter on record as part of our compliance submission.

Enclosure: Performance letter from customers – as enclosed.

Thanking you.
